Go Green Initiative

As the world witness global warming with an increase in greenhouse gases especially carbon-di-oxide and consequent climate change, global community has realised the significance of green cover. Hence plantation of trees and reduction of carbon footprints has assumed focal point in the global discussions. While adhering to the commitment of reduction in the carbon footprints, the NSS Unit has pledged to contribute to increase green cover in the vicinity through the network of active volunteers. Volunteers willingly participated in planting saplings in their native areas and are obliged to take care of the same.
