Department of Commerce Shree Mallikarjun Collage in association with Goa Institute of Public Administration and Rural Development (GIPARD) and National Stock Exchange (NSE) organised a Financial Literacy Drive for the students of F.Y.B.com, S.Y.B.com & T.Y.B.com in the college on 27 September 2019. As part of the drive, an interactive session was held on the importance of Financial Literacy for the youths. The Guest Speaker was Mr. Praveer Kullu, a management professional (MBA). Mr. Kullu discussed about the securities market, different shares, offer document, do's and don'ts in the security market, its myths and realities and selection of brokers. He also spoke about UTI, ULIP, SCORES. Further, he called upon the students to engage in research before venturing into investing the funds. He also stressed on the Indian Ideologies of looking at innovation from the ancient times till the present day. He introduced the participants to many exclusive examples and challenges in the world economy at large with reference to different societies and how youth can play an important role in development of economy with right investment done at right times. He shared his own experiences of how and why corporations can no longer just rely on the old formula that sustained innovation and growth for decades: a mix of top-down strategies, expensive R&D projects and rigid, highly structured innovation processes. According to him, it is the duties of youth to make people aware about investing money, where in there are large returns. Mr Kullu stressed in the urgent need for educating the Indians to take to investment.

Around 51 students attended the programme. The session was anchored by Mr. Keval Naik, Assistant Professor in Sociology and co-coordinator of GIPARD of Shree Mallikarjun College. The session concluded with the vote of thanks by Miss Nishigandha Naik Gaonkar Assistant Professor in Commerce.
