MESSAGE FROM THE PRINCIPAL

Dear Student,

First, let me congratulate you for passing your Std XII exams and crossing one significant milestone in your life. We wish you acknowledge the credit of your feet to your teachers of the past, friends, and loving parents for helping you all through. We pray you to remain blessed always.

We would also like to profusely thank you for considering our Shree Mallikarjun College as a medium to shape your future career. Be it BA, B. Com Bsc, or Ph.D., we confidently assure you that never you will regret your choice. Vibrancy and positivity in your academics await you as you will pass through the three years of the rigorous and intellectually stimulating learning experience with us. You will learn with fun and will have a gamut of co-curricular, cultural, and activities in sports to choose from and empower yourself.

You will soon realize that you are being taught by the finest of teachers in an academic environment that is very conducive to learning. Our infrastructure is well placed on par with other colleges and the emphasis on quality is always forthcoming. Discipline, dedication, and the building of overall personality are what we focus on. We have been doing this always in the last 28 years.

We are committed to continuing to do our best and we won't settle for anything than the best to bring out the best in you. The onus is now on you. You have already made the right choice. Now your right attitude will matter. Wishing you the very best in your journey to excellence with us.

Dr. Manoj S. Kamat
Principal

Education is the most powerful weapon which you can use to change the world.” Goa prides itself on being a state of the literates and the educated. And yet, Canacona was deprived of the benefits of Higher Education. Yes, Canacona is a remotely located rural place with a population belonging to mostly marginalized people belonging to ST/OBC/Economically Backward and a tribal population burdened by economic challenges and social deprivation. Higher Education *was a* ‘distant’ dream to be pursued by the elite and a fervent few in neighboring talukas and neighboring states.

“Education, then, beyond all other devices of human origin, is the great equalizer of the conditions of man.” — This belief of Horace Mann was shared by those who could Grow and Glow because of Higher Education. The educated Sons of Soil of Canacona *were* scattered in Goa, India, and even abroad. Though land’s part bodies, hearts keep company.’

These people were united by their love for their place of origin. The passion of a select few of these learners led to the establishment of Dnyan Prabodhini Mandal Trust with the intention of “Tamso ma jyotirgamaya” to lead the society from the darkness of ignorance towards enlightenment. In 1993, the dream became a reality in the form of Shree Mallikarjun College of Arts & Commerce, Canacona. The College campus is spread over an area of 15000 square meters on the banks of River Talpona on the lap of wooded Western Ghats.

In the All-India Survey conducted by India Today, **our college ranked 143rd in Arts and 176th in Commerce**. In 2022, our college reached another milestone by achieving the **61st Rank in India and 11th in Goa** conducted by **EW-India College Ranking Survey**.

The college is permanently affiliated with Goa University and recognized by University Grants Commission, New Delhi. We are proud to state that recently our college was accredited by NAAC with a ‘B’ Grade. The College has completed 28 years with a sense of fulfillment and with a determination to achieve more in the *years* to come. College offers three-degree programs leading to B. A. (Gen), B. Com. (Hon), and B. Sc. (Hon).

The hallmark of the College is its first-generation learners, especially those belonging to the tribal and other backward communities. In the last two decades, College has created a special place for itself in the fields of academics, Sports, and Culture. The college is proud of its qualified staff. Of the regular teaching staff, 09 teachers have completed Ph.D.

In the rural and backward taluka of Canacona, its first-generation learner’s College is promoting student-centric education by using modern teaching-learning tools and techniques. To prepare students for the future, and make them responsible and sensible citizens, innovative workshops, training, and courses are conducted on regular basis. Our Third Year B. Com. Students undergo practical training at Goa State Co-operative Bank Ltd., HDFC Bank, & the (Lalit Resort. The college is proud of its Ex-students (Alumni) who are well placed in both private and public sectors.

Institutional Policy on Teaching-Learning

Objectives:

The policy of the Institute is to promote Student-Centered Teaching and Learning environments without undermining the importance of traditional teaching.

SMC aims to facilitate Student-Centered Learning (SCL) which transfers learners from passive receivers of information to active participants in the learning process. Based on the abilities and needs, a student in consultation with our teachers decides what he/she learns, how, and at what speed he/she learns.

When our SMC Eagle takes charge of his learning, he becomes an explorer, innovative, creative, imaginative, skilled, etc. These acquired capabilities will help him/her solve real-world problems.

Student-Centered Learning in SMC is achieved by using innovative teaching-learning methods combined with effective use of ICT to achieve students' learning goals.

NATIONAL SERVICE SCHEME (NSS)

Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year, 1969. Aimed at developing students' personalities through community service. NSS is a voluntary association of young people in Colleges, Universities, and at +2 level working for a campus-community linkage. The cardinal principle of the NSS program is that it is organized by the students themselves, and both students and teachers through their combined participation in community service, get a sense of involvement in the tasks of nation-building. Our College offers NSS for 2 years during their 3 years graduation course.

Aims & objectives of NSS

1. To understand the community in which they work
2. To understand their community
3. To identify the needs and problems of the community and involve them in the problem-solving process
4. To develop among themselves a sense of social and civic responsibility
5. To utilize their knowledge in finding practical solutions to individual and community problems
6. To develop competence required for group-living and sharing of responsibilities
7. To gain skills in mobilizing community participation
8. To acquire leadership qualities and a democratic attitude
9. To develop the capacity to meet emergencies and natural disasters
10. To practice national integration and social harmony

The NSS Badge Proud to Serve the Nation:

All the youth volunteers who opt to serve the nation through the NSS-led community service wear the NSS badge with pride and a sense of responsibility toward helping the needy. The Konark wheel in the NSS badge having 8 bars signifies the 24 hours of the day, reminding the wearer to be ready for the service of the nation round the clock i.e. for 24 hours. The red color in the badge signifies the energy and spirit displayed by the NSS volunteers. The Blue color signifies the cosmos of which the NSS is a tiny part, ready to contribute its share for the welfare of mankind.

Motto:

The motto of the National Service Scheme is **NOT ME BUT**

YOU Benefits of Being an NSS Volunteer:

An NSS volunteer who takes part in the community service program would either be a college-level or a senior secondary-level student. Being an active members these student volunteers would have the exposure and experience to be the following:

- an accomplished social leader
- an efficient administrator
- a person who understands human nature

NATIONAL CADET CORPS (NCC)

The National Cadet Corps (NCC) is a youth development movement. It has enormous potential for nation-building. The NCC provides opportunities to the youth of the country for their all-round development with a sense of Duty, Commitment, Dedication, Discipline, and Moral Values so that they become able leaders and useful citizens. The NCC provides exposure to the cadets in a wide range of activities with a distinct emphasis on Social Services, Discipline, and Adventure Training. The NCC is open to all regular students of schools and colleges voluntarily. The students have no liability for active military service. Shree Mallikarjun & Shri Chetan Manju Desai College Offer 2 Units of NCC, **Army, and Navy**

Core Values:

The NCC is a responsive, learning, and continuously evolving organization. Its activity is guided by certain core values that we endeavor to instill among all ranks of the NCC. These include the following:

- (a) A sense of patriotic commitment encourages cadets to contribute to national development.
- (b) Respect for diversities in religion, language, culture, ethnicity, lifestyle, and habitat to instill a sense of national unity and social cohesion.
- (c) Abiding commitment to learn and adhere to the norms and values enshrined in the Indian Constitution.
- (d) Understanding the value of a just and impartial exercise of authority.
- (e) Ability to participate in community development and other social programs.
- (f) A healthy lifestyle is free of substance abuse and other unhealthy practices.
- (g) Sensitivity to the needs of poor and socially disadvantaged fellow citizens.
- (h) Inculcating habits of restraint and self-awareness.
- (j) Understanding the values of honesty, truthfulness, self-sacrifice, perseverance, and hard work.
- (k) Respect for knowledge, wisdom, and the power of ideas.

Aim(s) of NCC?

- To develop character, commandership, discipline, leadership, secular outlook, the spirit of adventure, and the ideals of selfless service amongst the youth of the country.
- To create a human resource of organized, trained, and motivated youth to provide leadership in all walks of life and always available for the service of the nation.
- To provide a suitable environment to motivate the youth to take up a career in the Armed Forces.

The motto of NCC is?

The motto of NCC is: **“UNITY AND DISCIPLINE”**.

NCC symbol/insignia?

It is the NCC Crest in gold in the middle, with the letters “NCC”; encircled by a wreath of seventeen loti with a background in Red, Blue, and Light blue.

CERTIFICATE COURSES

It is difficult for a University Curriculum to cover all areas of importance in a given degree Programme. Hence, Colleges need to supplement and enhance the curriculum to make students better prepared to meet the aspirations of the job market and also to develop their interests and aptitudes.

Our college offers a wide variety of short-term certificate courses (minimum 30 Hours duration) which are conducted after class hours or during semester breaks. These courses are conducted by our expert teachers, professionals, and industry experts and help students stand apart from the rest in the job market by adding further value to their resumes. **Interested students are requested to discuss these Certificate Courses at the time of Admission with Admission Counsellors.**

Cooperative

Cooperative learning involves small groups working together to accomplish a learning task.

Presentations

Presentations are learner presented assignments. Students can do these in groups or individually.

Panel/Expert

Panels are a way to include many voices on a subject. Students can write & ask the questions in a Q & A session.

KWL

Put it on the poster. What do you know? Want to know? Learn? How about the enhanced version-KWHLAQ?

Brainstorming

Brainstorming puts the thinker to work. Present a situation. Ask learners to creatively think.

Create Media

Present an issue and have the students create a public service video.

Discussion

Present an issue and have the students talk about it. If they need add info, have them go find it.

Small Group

What can a group of people accomplish? Draw out the best characteristics of the group. Assign roles.

Case Study

Use case studies in the classroom to learn about complex issues, apply critical thinking, and explore scenarios.

Jigsaw

Break students into groups, giving each member a different task. Bring group back together and share.

Learning Center

Break up the classroom into different activities. After a set time ask students to rotate to new activity.

Experiments

Design experiments and have students engage. Or, ask students to design the experiment.

Role Play

Role playing allows the learner to try out the experience. It can be instructor created or learner created.

Simulation

Computer simulation has grown. Use technology to simulate a real event. Practice without fear of failure.

Lab

Setting up the class in a lab style enables students free movement and hands-on activities.

Workshop

Students can create the workshop and conduct it with her peers. The peers can then give feedback.

Demonstration

Demonstrations are a fun way to get students involved. Try cooking demonstrations or science demonstrations.

Index Card

There are 101 ways to use an index card. Give the students the index card and ask them to create the activity. Set the guidelines together.

Inquiry based

Inquiry based learning starts with a question. It comes in many forms. Try guided inquiry for more structure. Try open inquiry for less.

Mental Models

Build mental models that can withstand new information. Draw out your mental model. Test it. Challenge it. Build it.

Project

A project simulates what a learner could do at the workplace. It could also be a service project where students create positive change.

Problem

Problem based learning seeks to solve problems. It might be a part of a problem. Learner finds solutions, while instructor facilitates.

Discovery

Discovery can be broad or narrow in scope. Some discovery learning allows the learner to choose a topic and explore.

Q & A

A Q & A session allows learners and facilitators to learn more from each other.

Social Media

Use social media to effectively share a message. Get feedback. Keep it short and to the point. Did you convey effectively the message?

Games

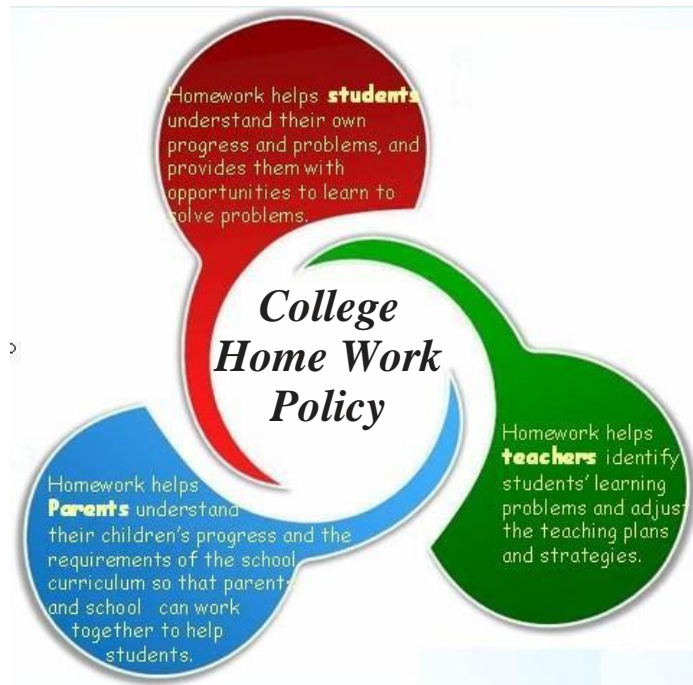

Games can be used to teach concepts, to give a learner a break to think, or to challenge one's ideas.

Competitions

Students can engage in competitions locally or internationally. This allows the learner to engage with others around the world.

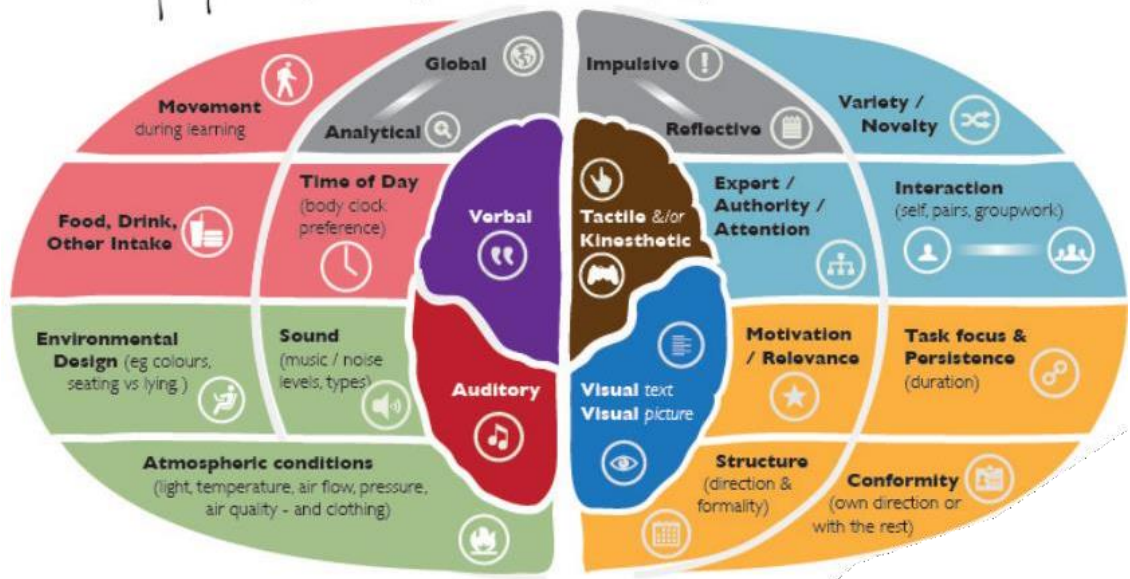

Debate

During a debate students challenge each other. The debate can take a break at intervals for additional research.
