CIRCULAR

It is noticed that few Non-Government Aided Colleges have not yet filled the post of Principal on full-time basis. Full-time Principals are very essential for guiding and mentoring the Higher Education Institutions to greater heights.

In this respect, it is impressed upon the authorities concerned to expedite the matter at the earliest so as to complete the process of appointing the Principal (Tenure Basis) as per UGC guidelines and Goa University Statutes before the end of this academic year.

The concerned Colleges are informed to treat this as a No Objection Certificate (NOC) from Directorate of Higher Education to initiate the recruitment process. The Directorate has to be regularly kept informed about the progress of the recruitment process on monthly basis.

It may be noted that if the full time Principal (Tenure Basis) is not appointed as per the latest UGC guidelines/Goa University Statutes, the Directorate of Higher Education will be forced to stop the maintenance grants from the next financial year.

CIRCULAR

It is noticed that few Non-Government Aided Colleges have not yet filled the post of Principal on full-time basis. Full-time Principals are very essential for guiding and mentoring the Higher Education Institutions to greater heights.

In this respect, it is impressed upon the authorities concerned to expedite the matter at the earliest so as to complete the process of appointing the Principal (Tenure Basis) as per UGC guidelines and Goa University Statutes before the end of this academic year.

The concerned Colleges are informed to treat this as a No Objection Certificate (NOC) from Directorate of Higher Education to initiate the recruitment process. The Directorate has to be regularly kept informed about the progress of the recruitment process on monthly basis.

It may be noted that if the full time Principal (Tenure Basis) is not appointed as per the latest UGC guidelines/Goa University Statutes, the Directorate of Higher Education will be forced to stop the maintenance grants from the next financial year.

CIRCULAR

It is noticed that few Non-Government Aided Colleges have not yet filled the post of Principal on full-time basis. Full-time Principals are very essential for guiding and mentoring the Higher Education Institutions to greater heights.

In this respect, it is impressed upon the authorities concerned to expedite the matter at the earliest so as to complete the process of appointing the Principal (Tenure Basis) as per UGC guidelines and Goa University Statutes before the end of this academic year.

The concerned Colleges are informed to treat this as a No Objection Certificate (NOC) from Directorate of Higher Education to initiate the recruitment process. The Directorate has to be regularly kept informed about the progress of the recruitment process on monthly basis.

It may be noted that if the full time Principal (Tenure Basis) is not appointed as per the latest UGC guidelines/Goa University Statutes, the Directorate of Higher Education will be forced to stop the maintenance grants from the next financial year.
