Brief Report

In his interactive session he said in our life a soft skill called personality development is required. Whatever difficulties may come across in your life but never give up. He gave the examples of great personalities like Albert Einstein, Thomas Edison, J.K. Rowling's, Walt Disney, Amitabh Bachchan etc. who were failures in their life in the beginning but latter they were well known personalities in this world. Talk, walk and behave are the important requirements for a personality development. When one speaks he must have confidence, clarity, eye contexts, expression, pace and perfect pronunciation, when a person walks he must have pace, position and positivism and in his behaviour he must have attitude i.e. respect for others, compassion, integrity and discipline. Life has six sides self, family, friends, community, career and life purpose. At last he said do what makes you happy.

Whatever difficulties may come across in your life but never give up. He gave the examples of great personalities like Albert Einstein, Thomas Edison, J.K. Rowlings, Walt Disney, Amitabh Baccchan etc. who were failures in their life in the beginning but latter they were well known personalities in this world. Talk, walk and behave are the important requirements for a personality development. When one speaks he must have confidence, clarity, eye contacts, expression, pace and perfect pronouncelation, when a person walks he must have pace, position and positivism and in his behaviour he must have attitude i.e. respect for others, compassion, integrity and discipline. Life has six sides self, family, friends, community, career and life purpose. At last he said do what makes you happy. The programme was concluded at 1.30 p.m.
