Brief Report of the Event: (200 words)

Commerce Association of DPMs SHREE MALLIKARJUN & Shri Chetan Desai College Canacona has organized Seminar cum Hands on session on “Entrepreneurship”. The main objective was to motivate students and to create awareness about the subsidies and other incentives available.

77 students have participated in this workshop along with 4 teachers. Officiating Principal Dr. Sucheta Naik welcomed the chief guest by flowers and introduced by Mrs. Kshama Desai. Mr Umesh K. Gaonkar while addressing the students said there is a lot of scope and opportunities available in agricultural field. In his presentation he said after his post graduation he has started polyhouses wherein he started floriculture. But due to COVID he has suffered a huge loss since the product was perishable. This has taught him a lesson and he started his production of Jaggurru and other allied products from sugarcane that is CACUM(Liquid Jaggurru before processing of final product as Jaggurru). He demonstrated his different products and said there is a huge market for this organic products. He is now catering the needs of customers not only from Goa but also from Delhi, Bombay, Karwar, London. His main focus is on organic product as today customers are health conscious. He narrated his struggling story at the initial period of his entrepreneurship and due to his friends encouragement and support he has entered into this field. He said initially he suffered a loss as his product was not familiar to customers but after completing one year of his business, he

Mrs. Asha Shenvi Nagarsekar, Parent Teacher Association Member was invited as a resource person for the workshop of making Kapyaaale. Patchwork is a technique of sewing small pieces of shaped fabrics, of mixed patterns, colors, and texture, all together to create larger geometric designs. Traditionally, this was a form of needlework used to create the patchwork quilt, but it is now a popular technique in clothing design and interiors. Patchwork is most often used to make quilts, but it can also be used to make rugs, bags, wall hangings, warm jackets, cushion covers, skirts, waistcoats, and other items of clothing.
